## Range Performance LED

Drivers looking to upgrade to LED can now choose a new generation of Narva Range performance LED headlight bulb featuring:

- Bright white light with 6500K for that high-end, stylish look
- Compact design for plug-and-play use
- Reliable performance thanks to dual heat dissipation
- Precise beam pattern for increased safety
- Compatible With Most Vehicles electrically (Car & Trucks)

Check availability with your local NARVA representative.

	Technical Type	Article n	V	W	Base	Packaging type	Bulbs in pack	MOQ
	LED [≈H4]	180323000	12/24V	24W	P43t-38	X2	2	6
	LED [≈H7]	180333000	12/24V	24W	PX26d	X2	2	6
	LED FOG	180363000	12/24V	24W	PGJ19-1/2/3	X2	2	6
	LED [≈HB3/4]	180383000	12/24V	24W	P20d/P22d	X2	2	6
	LED [≈HIR2]	180443000	12/24V	24W	PX22d	X2	2	6

	Technical Type	Article n	V	W	Base	Packaging type	Bulbs in pack	MOQ
	LED [≈H11]	180483000	12/24V	24W	PGJ19-2	X2	2	6
	LED [≈H1]	180573000	12/24V	19W	P14,5s	X2	2	6
	LED H3	180583000	12/24V	19W	PK22s	X2	2	6

It is your own responsibility to ensure that the use of the LED retrofit lights complies with applicable local legal requirements.
